From: Dr. Marruffo

I am writing to recommend Texas Technology Support for an IT position at your company. I have had the pleasure of working with Robert for the past few years at Medical Center Dental, where he has served as our IT technician.

During that time, His team and including him has consistently demonstrated a high level of skill, knowledge, and professionalism. They're always responsive to our needs and is able to quickly and effectively troubleshoot any IT issues that we may have. The team is also proactive in identifying and addressing potential problems before they occur.

In addition to his technical skills, Andrew is also a pleasure to work with. He is always willing to go the extra mile and is always looking for ways to improve our IT systems.

I have no doubt that Texas Technology Support would be a valuable asset to your company. He/She is a highly skilled and experienced IT technician with a strong work ethic and a commitment to customer service. I highly recommend Texas Technology Support for any IT position.

Sincerely,

Joann Marruffo DDS, MS.
